Services related to events organization in the project POPEYE, Novi Kneževac

CLARIFICATIONS

Regarding the above tender procedure one (1) question was received regarding the procedure, which is the following:

Related to the call HUSRB/1903/33/0004/5.3.1.-5.3.2-TD02 in the Terms of Reference *related COVID-19 measures for the SEMINARS should it not be mentioned as follows?*

"It is the obligation of the Consultant to provide enough a number of hand sterilizing lotion and to put them approachable on several places at the SEMINARS as well. The Consultant will also have to organize every aspect of the work by respecting the current COVID-19 regulations determined by the relevant authorities of the Republic of Serbia at the time of the realization of events."

instead of " COVID-19 MEASURES It is the obligation of the Consultant to provide enough a number of hand sterilizing lotion and to put them approachable on several places at the POPEYE fair. The Consultant will also have to organize every aspect of the work by respecting the current COVID-19 regulations determined by the relevant authorities of the Republic of Serbia at the time of the realization of events."

We are interested if the same measures of precaution apply for the Seminars as well, i.e. should enough a number of hand sterilizing lotion should be organized at the SEMINARS as well?

Answer:

The COVID-measures are to respected on each event that is part of this contract, which means that the hand sanitizing units ought to be prepared and accessible at the SEMINARS as well.
